TERMS AND CONDITIONS

- In accordance with Section 15.2-2506 of the *Code of Virginia*, 1950, as amended, except as noted herein, all appropriations, including those for the Mathews County Public Schools and General Fund departments, agencies and organizations, are made on an annual (12-month) basis; specifically, for the period beginning July 1, 2016 and ending on June 30, 2017.

This makes the appropriations payable in full in the amounts named herein, if the aggregate revenues collected and other resources available during the fiscal year beginning on July 1, 2016 and ending on June 30, 2017 for which appropriations are made, are sufficient to pay all of the appropriations in full; otherwise, said appropriations shall be deemed to be payable in such proportion as the sum of all realized revenue is to the total amount of the revenues estimated by the Board of Supervisors to be available for appropriation in the fiscal year beginning on July 1, 2016 and ending on June 30, 2017.
- 3 No department, agency, or indiviual receiving appropriations under the provisions of this resolution shall exceed the amount approved for that department, agency or individual by the Mathews County Board of Supervisors.
- 4 The County Administrator is authorized to establish purchasing policies and procedures to assure that expenditures are made within the appropriations defined within this resolution and to initiate emergency spending reductions to decrease expenditures in light of decreased actual revenues.
- 5 In accordance with Section 22.1-94 of the *Code of Virginia*, 1950, as amended, the amounts appropriated to fund the contemplated expenditures for the Mathews County Public Schools (School Board) are by the major expenditure categories or classifications that are delineated in this resolution. The School Board shall not transfer any funds between said categories without first obtaining the prior approval of the Board of Supervisors.
- 6 No expenditures shall exceed the appropriation established by the Mathews County Board of Supervisors unless a supplemental appropration is approved in advance of the expenditure.
- 7 Any request to increase the overall appropriation to any department, agency or organization as appropriated by this resolution must be made to the Board of Supervisors by written request.
- 8 All appropriations that are not encumbered or expended prior to June 30, 2017 will lapse and the balance shall become part of the General Operating Fund Balance.
- 9 The Board of Supervisors may increase or reduce revenue and expenditure appropriations related to programs funded all or in part by the Commonwealth of Virginia and/or the federal government to the level approved by the responsible state or federal agency.

- 10 The Board of Supervisors may appropriate both revenue and expenditures for donations by citizens or citizen groups in support of County programs. Any remaining unencumbered balance of a restricted donation at the end of the fiscal year will be reappropriated into the subsequent fiscal year.
- 11 The Board of Supervisors may appropriate revenues and expenditures for funds received by the County from asset forfeitures for operating expenditures directly related to drug enforcement.
